McLennan Community College
Off-Campus Instruction Plan
2010-2011

Off-campus courses offered by MCC in response to student and community needs are of the same quality as on-campus classes. Faculty members teaching off-campus classes include both full-time and adjunct, all of whom meet the standards of the college and the Southern Association of Colleges and Schools. Supervision and evaluation of off-campus classes reflect the same standards that are applied to classes taught on-campus. Students enrolled in off-campus classes meet college admission requirements and receive support services.
